Magnolias of Lancaster is a state-of-the-art memory care community. We've designed a home-like environment that fosters a sense of comfort and familiarity. And for a limited time we are waiving our community fee.

Our memory care residence is designed to create meaningful and personal routines based on each resident's life story and history. We've not only created a wonderful place to live, we also created an inviting destination for friends and family and we invite you to schedule a visit to our community.

Call 1-888-260-2381 today for more information and ask about our summer respite care program.
