May/June 2024

President's Pen

Cabin fever has ended! Go outside and take a deep breath. There you will smell blooming flowers, freshly cut grass accented by the scent of car-nauba wax, detailing spray, gasoline, motor oil and maybe some burning rubber (as legally allowed of course). April has been busy with cruise-ins at El Rodeo and JoJo's. The Knights of Columbus has hosted a car show and planning is well under way for the upcoming spring and summer events. The Carlisle Auctions and Spring Event concluded yesterday and many of our members enjoyed the show and had a great time driving cars across the auction block.

The first major Blue Moon Cruiser event is the Spring Dance on April 27th. There is still time to get your tickets. Please check our website or Facebook page for more information. Well underway is the planning for our Spring Picnic, Memorial Day Parade, cruise-ins at JoJo's Pizza, El Rodeo, Bone Fish Grill, Wertsville Diner, Parma Pizza and Grill and Lemoyne Diner. Please check your 2024 roster book for a complete list of cruise-ins. There are least a half dozen other events in the works including parades, Apple Blossom Run and of course, the big event, our annual Fun Run on July 14th. Add to that the events planned by our friends at other clubs, churches, auto dealers and restaurants and we have a spring and summer full of fun activities.

You should have recently received your roster book for 2024. With some changes in the font size, condensing the number of members shown per page and eliminating unnecessary pages, we have greatly reduced the production cost. The work of producing this information for all of our members takes a great effort and I would like to thank all those involved in collecting member dues, updating the member listing and securing advertisers. Without their work this would not get done. Additionally, the distribution of the roster books using the postal service is very expensive. With the work of Ron and Donna Savidge preparing the packages for distribution and numerous members that took on the challenge of personally delivering the books to many members, we greatly reduced our distribution cost. Great effort everyone.

Let's have a great spring and summer. I look forward to seeing you and working with you at these upcoming events.

Jim O'Connell
